1 Procedure Statement

Across all North West Air Ambulance's services and activities, we aim to provide the highest possible quality service to those individuals and organisations interacting in any way with the organisation.

However, we acknowledge that there may be occasions when things go wrong, or you are dissatisfied with us and may wish to make an official complaint. We will take complaints seriously and learn from them in order that we can consistently improve the quality of our services and activities.

The following complaints procedure aims to provide a swift, effective and honest resolution to your complaint and to guide improvements for our future work.

2 Procedure Detail

North West Air Ambulance has a two stage complaints procedure. The response to all complaints received at the charity will be co-ordinated by the Supporter Engagement team. The Supporter Engagement Team Leader is accountable for all complaint responses and will involve relevant staff in the organisation as needed.

2.1 Formal Complaint: Stage 1

- Contact North West Air Ambulance with your problem or concern through one of the following methods, clearly stating that you have a formal complaint:
- Write to: Complaints Manager, North West Air Ambulance Charity, North Mersey Business Centre, Woodward Road, Knowsley, L33 7UY
- Email: complaints@nwaa.net
- Call: 0151 547 7830 and ask to be referred to the Complaints Manager

We will investigate and attempt to resolve your problem or concern within 7 working days of receipt. You will receive a letter explaining how your complaint was/is being followed up and/or what has been actioned as a result. If there is any delay in dealing with your concerns, we will keep you informed of our progress by communicating to you at regular intervals. All details will be entered onto our internal complaints log at this point.

If the problem or concern has been dealt with satisfactorily at this stage, at your request, we will formally record the details.

2.2 Formal Complaint: Stage 2

If you remain unhappy with the resolution of your problem or concern, please request that your issue be formally escalated to stage 2 of the process. Please ensure you provide us with a clear explanation as to why you feel your complaint was not resolved at stage 1.

A stage 2 complaint must be forwarded to the Supporter Engagement team who will ensure that the complaint is recorded, acknowledged in writing, within one working day, advising the complainant of the name of the investigating team and the response timescale (15 working days)

Please note, if a full response is not possible within the 15-working day deadline, the complainant should be sent an interim response (within this timescale) informing them of the reasons for the delay and an anticipated response date. The complainant should be given further updates in writing periodically until the investigation is completed.

2.3 Formal Complaint: Stage 3

If after stages 1 and 2 you feel that a satisfactory resolution has not been achieved, or cannot be resolved internally, then the matter can be referred by either party to the relevant body for arbitration.
