

In association with LANCASHIRE TEA

Sweepstake

Did you know?

When empty, our helicopter weighs the same as 1,455 litres of water - that's enough for about 6,155 brews!

Our crew have to be ready to head out on a lifesaving mission at the drop of a tea bag. Whether travelling by helicopter or car they bring the hospital to the patient, providing enhanced pre-hospital care to those who need it most. Unfortunately, this does mean that they often have to leave their freshly brewed cuppa.

How to play: Write down your guess for how many brews are left. Once everyone has made a guess, or all the squares have been taken, reveal who got the closest answer.

How many teabags do our crew go through every year?

Name, guess, mobile number				

nwairambulance.org.uk | 0800 587 4570 |

Registered Charity No. 1075641

And the winner of the sweepstake is

with the best guess of

Answer: 9,000

That's a lot of cold brews!
