NORTH WEST
Air Ambulance
CHARITY

We're not part of the NHS and we receive no government funding. **We're a charity** that relies solely on people like you.

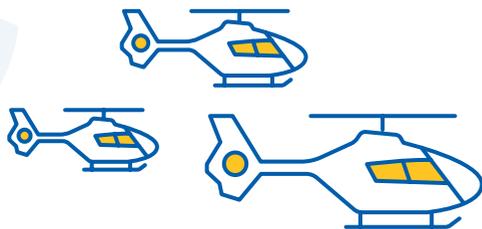

An average mission costs £4,500

Because of you, our critical care paramedics and consultant-level doctors provide enhanced pre-hospital care at the scene.

They bring the hospital to the patient and provide advanced medical care. This includes performing surgical procedures and administering blood.

We have **three helicopters**

and **four critical care vehicles.**

We have two bases, one in **Barton, Greater Manchester** and the other in **Blackpool, Lancashire.**

Our impact in 2023

We cover the entire North West - the largest population of any Air Ambulance Service outside London.

.....

Total job number: **3,137**

Helicopter: **2,222 (71%)**

Critical care car: **915 (29%)**
